

Postdoc position available after September 1, 2014

We have a new postdoc position available after September 1st, 2014. This announcement will expire either September 15th or the position is filled whichever comes first.

Requirement:

- 1) Protein chemistry and protein physics background with track record of related publications
- 2) Individual with experience on opioid receptors especially mu opioid receptor is preferred.
- 3) Outstanding interpersonal skill and communication skill.

Skills might be used for this project include but not limited to the following:

Protein expression, purification, and characterization using CD, surface plasma resonance, isothermal titration calorimetry, time resolved fluorescence, NMR, and protein labeling etc.

Please feel free to contact me at liur@uphs.upenn.edu if you have such candidate.

Please refer the following two recent papers for more information regarding what we are doing in my lab.

Please feel free to contact Dr. Renyu Liu at liur@uphs.upenn.edu if you have any questions.

Renyu Liu, M.D.; Ph.D.

Director of Preoperative Medicine

Director of Penn China Anesthesia Partnership Program

Department of Anesthesiology and Critical Care (<http://www.uphs.upenn.edu/dripps/>)

Faculty of the Institute Translational Medicine and Therapeutic

(<http://www.med.upenn.edu/apps/faculty/index.php/g5455356/p16270>)

Perelman School of Medicine at the University of Pennsylvania (<http://www.med.upenn.edu/>)

Editor in Chief, The Translational Perioperative and Pain Medicine

Vice President, International Chinese Academy of Anesthesiology (ICAA, www.icaahq.org)

3620 Hamilton Walk, 336 John Morgan Building

Philadelphia, PA 19104, USA
